NIXIE® TUBE BEZEL ASSEMBLIES

Description	1–24	25–49	50–99	100–499	500–999	1000+
2 Position Bezel	17.50	list	list	list	list	list
3 Position Bezel	20.00	less	less	less	less	less
4 Position Bezel	22.50	15%	24%	33%	40%	50%
5 Position Bezel	25.00					
6 Position Bezel	27.50					
7 Position Bezel	30.00					
8 Position Bezel	32.50					
9 Position Bezel	35.00					
10 Position Bezel	37.50					

Note 1: Prices for bezel assemblies include appropriate indicator tube sockets mounted in place.
Note 2: Bezel assemblies are available for use with Burroughs readout driver modules (TRIXIE® drivers, BDC decoder/drivers, counters, etc.). Orders for bezels for use in conjunction with these modules should state specifically which type module will be used (See Bull. 1020).
Note 3: When complete readout driver modules are desired, these units will be mounted to the bezel at no extra charge. When bezels and readout driver modules are shipped separately, the basic list price of the bezel will be reduced by $.50 per position; e.g., a 6 position unit will cost $24.50 rather than $27.50
Note 4: Decimal points are available mounted in position with complete socket assembly. Add $3.00 per decimal point to the basic bezel list price. For colons, add $6.00 per colon to the basic bezel price.

WARRANTY

Ultra Long Life NIXIE® Indicator tubes are warranted to be free from defects caused by materials, workmanship, and construction for a period of two years from the date of shipment. All other readouts are warranted to be free from defects caused by materials, workmanship, and construction for a period of ninety days from the date of shipment. Burroughs Corporation's Liability under this warranty is limited to replacing or repairing any tube returned by the buyer during such period, provided:

1. Buyer promptly notifies Burroughs Corp., Electronic Components Division, Plainfield, N. J. in writing requesting authorization to return the tube as per our warranty policy. Letters should itemize complaints.
2. The defective unit is returned to address in (1), transportation charges prepaid.
3. Manufacturer's examination shall disclose to its satisfaction that defects have not been caused by misuse, neglect, accident or improper installation.

Under no conditions shall Burroughs Corp. be liable for collateral or consequential damages. This warranty is in lieu of all other warranties expressed or implied.
